

9-Pin Scorer

BUILT FOR TEXAS-STYLE 9-PIN

FOR CLUB MANAGERS, OFFICERS & SCOREKEEPERS

Your club. Your game. League night, organized.

Bring league setup, live scoring and club records together with 9-Pin Scorer — built for Texas-style 9-pin bowling.

Bowler	1	2	3	Frame Score	4	5	6	Total Score
Abby	9			51				51
Colt								
Cory	12							
Jenna	9							
Megan	12*							
Randy	9							

From the first lineup to the final scorecard.

Keep the night's details close at hand. Set up your teams, enter scores as play unfolds, and return to the results after the lanes go quiet.

Actual app screen • Demo club data

01 / GET READY

Put league night in order

Manage leagues, teams, bowlers and lane assignments. Start ready matches from your saved schedule.

03 / SHARE THE GAME

Bring scores to the big screen

Show lane scores on compatible TV setups. Add your club's logo and choose display colors.

02 / KEEP SCORE

Follow every frame

Build lineups with substitutes and absences, then record live scores for a lane or lane pair.

04 / KEEP THE RECORD

Make results easy to revisit

Review match history and bowler stats. Print scorecards and export club backups.

Request a club demo

See the league-night workflow for your club.
